

11 April 1977

NOTE FOR: NIO/WE

Little,

Dick Lehman had a meeting with Ambassador Little, Chairman of the Human Resources Committee, on Friday, April 8th, at which they discussed a FOCUS program for the rest of the calendar year. One question that arose was whether a FOCUS could be done sooner than June. The Human Resources Committee hopes also to develop a list of seven or eight more countries on which FOCUS studies could be done. Do you have any suggestions?
